Your goals. **Your home.** Your way.

# SUPPORTED INDEPENDENT LIVING AT ABLE AUSTRALIA

Our flexible, highly skilled staff support you to reach your full potential and enjoy a fulfilling home life.

We assist you to:

- Develop individual program plans that outline goals, aspirations and desires for independent living.
- Develop and maintain friendships and community connections.
- Access social and recreational activities.
- Manage and attend appointments.
- Complete forms and other forms of communication.
- Maintain a household.
- Manage accommodation and tenancy obligations.

We will also work with you to develop increased independence through skill development in areas such as:

- Financial and money management.
- Shopping and household tasks, including cooking and domestic duties.
- Social skills.
- Using public transport.
